

STANDARDS AND REQUIREMENTS FOR CERTIFICATION

In order to be eligible for certification as a professional soil classifier in Illinois, applicants must (a) subscribe to the Code of Ethics of the Illinois Soil Classifiers Association, (b) be a Full Member or Honorary Full Member of the Illinois Soil Classifiers Association, (c) submit a written application to the Certification Board containing such information as required in Section 6, (d) have actively practiced soil classifying in a responsible position at least three (3) of the preceding four (4) years with supervision under or collaboration with a Certified Professional Soil Classifier (CPSC) within the last year of the date of application; or have more than six (6) years total soil classifying experience with supervision under or in collaboration with a Certified Professional Soil Classifier within the last year of the date of application, and, (e) have successfully passed a written and/or oral examination designed to determine the proficiency and qualifications of the applicant to engage in the practice of soil classifying.

For a complete and detailed listing of the requirements for certification, see the ISCA Membership Handbook, Standards for Certification of Professional Soil Classifiers, Section 5 Standards and Requirements for Certification.
